ARTICLE V — INTELLECTUAL PROPERTY

Upon receipt of full payment, the following IP terms shall apply:

- (a) Creator assigns to Client all right, title, and interest in the final deliverables, including all copyrights and other intellectual property rights therein.
- (b) Creator retains the right to display the work in their portfolio and for self-promotional purposes, unless Client provides written notice prohibiting such use.
- (c) Any pre-existing intellectual property of Creator incorporated into the deliverables remains the property of Creator, with a perpetual, non-exclusive license granted to Client for use within the scope of this Agreement.
- (d) Usage beyond the licensed territories or channels described herein requires prior written consent and may incur additional licensing fees.

ARTICLE VI — REVISIONS AND SCOPE CHANGES

Additional revision rounds beyond the included two will be billed at Creator's standard hourly rate. Major scope changes, including new concepts or additional deliverables, require a separate written change order signed by both Parties before work commences.
